Catholic Charities Women, Infants and Children (WIC) Moves to New Location

Catholic Charities Women, Infant and Children program (WIC) has moved to a new location. The new office location is in line with direct bus routes and will serve as a more convenient location for our clients in the Henderson area. The office is located at 270 E. Horizon Dr. Ste 109, Henderson, NV 89015 and is open Monday through Friday from 7:30 a.m. to 4:00 a.m.

The WIC Program stands for Woman, Infants and Children. WIC is a federally funded program through the USDA, and is operated by the Nevada State Health Department to improve the health of Nevada residents that fall in the moderately low income guidelines or that are currently receiving TANF, Medicaid, or Food Stamp benefits.

The WIC Program provides supplemental foods and nutrition services to pregnant women, their infants and children up to the age of 5 years. Postpartum women are also given services between six and twelve months after their delivery. WIC also provides referrals to other health and public agencies within the community.

Catholic Charities is one of the largest nonprofit social service providers in the state, offering the most comprehensive range of human services. Catholic Charities includes diverse programs designed to help people, from infants to seniors, regardless of race, religion, or creed.
