Catholic Charities Adoption Services Celebrates Seventy Years

Catholic Charities of Southern Nevada Adoption Services in recognition of National Adoption Month will celebrate 70 years of service to our southern Nevada community. On Thursday, November 3, 2011, from 5:00 p.m. - 7:00 p.m. Catholic Charities Adoption Services will host an open house providing information to our community with opportunities to speak to birth parents, adoptive families and professionals. State and local dignitaries are invited to attend. Proclamations from Senator Harry Reid's office and Senator Dean Heller's office will take place at 5:30 p.m.

Adoption Services compassionately serves children by guiding, educating, and empowering birth families and adoptive parents through the lifelong journey of adoption. Program proficiency and leadership inspires families and communities to embrace adoption as one of the miracles of humanity. More than 2,200 adoptions have been completed by Adoption Services since the program was founded in 1941, directly touching more than 10,000 individual lives.

Catholic Charities is one of the largest nonprofit social service providers in the state, offering the most comprehensive range of human services. Catholic Charities includes diverse programs designed to help people, from infants to seniors, regardless of race, religion, or creed.
