FOR IMMEDIATE RELEASE...

**The Yes! Cares Senior Program partnered with Catholic Charities
to give “Heat for the Holidays” to area seniors in need.**

Yes! Air Conditioning and Plumbing is providing full inspections, home winterization, and other heating products and services at no cost to “Heat for the Holidays” recipients.

During the winter months, temperatures can drop below freezing. It is paramount that seniors have proper heating units installed and that their systems run at optimal efficiency.

The Yes! Cares Senior Program is an extension of Yes! Cares, the company’s community outreach division that was established late last year. After recording a significant increase in the customers residing in senior developments throughout Las Vegas, Yes! Founder Kenneth Goodrich established the senior program as a way to offer support and resources to the community he serves.

The Yes! Cares Senior Program offers support and resources to the Southern Nevada senior community through free workshops, community events and partnerships with nonprofit organizations that support senior groups throughout the region.

About Yes! Air Conditioning and Plumbing
