YOUTH MENTOR

The Youth Mentoring Program matches volunteer mentors with refugees ages 15 to 24 to lend support to their educational and career goals. Mentors help refugees feel more welcome in their new home and guide them as they become accustomed to life in the Las Vegas community.

Volunteers are needed to:

- Commit to one year of mentoring
- Mentor youth for two hours a week
- Support the youth's long-term educational and career goals
- Help with a wide variety of life skills, including:
 - completing applications for jobs and educational programs
 - English conversation practice
 - homework assistance
 - exploring financial aid and scholarship opportunities
 - participating in social and civic engagement

Interested volunteers are asked to:

- Submit a [Youth Mentor Application](#) found at CatholicCharities.com
- Undergo a brief interview with the Youth Mentorship Supervisor
- Agree to a criminal background check through Catholic Charities
